

Dominion Children's Church Reopening Guidelines

In accordance with CDC guidelines and the Governor's Office recommendations concerning best practices for the Children's Ministry, these guidelines will be utilized by Dominion Children's Church.

Pre-Register:

Families who want to attend in-person services must pre-register. Three dates will be released at a time, each family should kindly register for one of the three dates. This way every family may have the opportunity to come to church in person once in three weeks

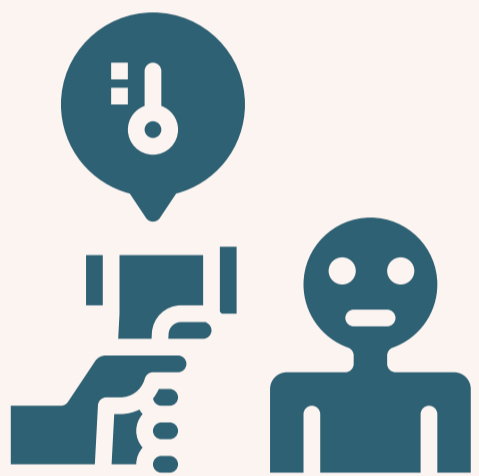

Check-In:

DCC will be implementing a touchless check-in system through the Kidcheck Express Check-in. Check out the video [here](#). Simply select Express Check-in on your Kidcheck app to use it. Only one parent guardian is allowed to pick up and drop off.

Temperature:

Anyone entering the childcare areas will have their temperature taken upon arrival. This includes childcare workers and children.

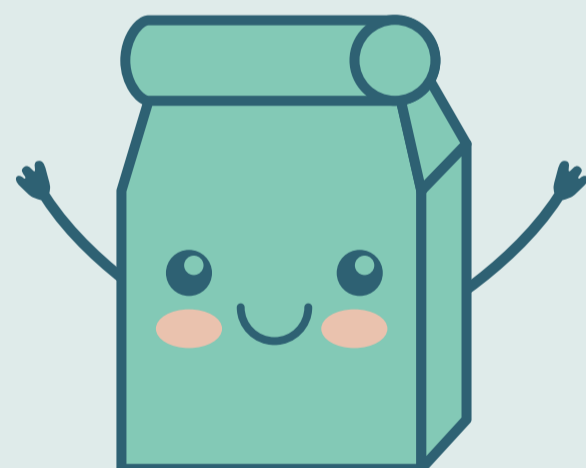

Tags:

Each child must have their Tags visibly attached to their person upon entering their classroom. A child without a tag will not be allowed into the classroom. Parents hold on to your tags for pick up.

Food:

Food and drinks cannot be brought into any childcare area. Pre-packaged, individually wrapped drinks and snacks will be provided by DCC.

Sanitization:

Anyone entering the childcare areas will be requested to use appropriate hand sanitization measures upon arrival. This includes childcare workers, children, and guardians. All program space will be sanitized before and after use. Common area touch surfaces will be frequently sanitized.

Class Materials

Parents please send children with a labeled bible and writing materials.

Reopening Information

For Parents, October 15, 2020

Hello Parents,

We will be reopening the children's church for in person service from Sunday November 8.

Childcare will only be provided during the 9:30am Sunday service for Preschool to Middle school at 30% capacity to ensure social distancing.

Be rest assured that at DCC, we are prayerfully planning and working very hard to ensure a safe environment for our teachers and the children. While following CDC guidelines, we will implement the following measures.

All parents must pre-register their children to attend children's church each Sunday.

We will release registration for 3 Sundays at a time, for your family to choose 1 of the 3 dates. This will allow families with children to have the opportunity to attend in-person service once every 3 weeks.

We will be implementing a touchless check-in system with kidcheck express check-in. With this, you can check-in your children using your own mobile device. Your secured label will print as you get to the printer without the need to touch a computer or wait in line.

For more information, simply text **DCCINPERSON to 77222**. Also remember to check your emails for further communication.

Please note that our online services will continue until we are back to in person service at 100% capacity.

Thank you and stay blessed
